

Creating a GradeScope account

Go to gradescope.com and signup. You should get the following page:

The screenshot shows the GradeScope sign-up page for instructors. At the top, it says "Join Over 140,000 Instructors". Below this, there is a "Sign up as an..." section with two buttons: "Instructor" and "Student". The "Student" button is highlighted in green. Below the buttons, there are several input fields: "Course Entry Code", "School" (with a dropdown menu showing "Grenoble INP (France)"), "Name" (with sub-fields for "FirstName" and "LastName"), "Email Address" (with a red asterisk indicating it is required), and "Student ID". At the bottom, there is a large green button labeled "Sign up as a student".

You must fill-in the form with the following info:

- ▶ Course Entry Code: (Provided by the instructor)
- ▶ School: Grenoble INP (France)
Remark: For the school you must select 'Grenoble INP' even if you are not affiliated to this school
- ▶ Name: You must put your full name.
- ▶ Email Address: Use your official email address.
- ▶ Student ID: Leave empty.

Handing out the assignments on GradeScope

1. Produce a **good quality** PDF for your assignment.
2. Upload the PDF to your GradeScope Account
3. **Assign the questions**
4. Submit the assignment.

1 - Producing a **good quality** PDF

- ▶ Make sure the images are of good quality : Blurry images or unreadable handwriting can be severely penalized during grading.
- ▶ Make sure every question is correctly numbered.
- ▶ Try to have each question in separate images: Multiple images per question are possible but avoid having multiple questions in the same image.

2 - Upload the PDF to your GradeScope Account

- ▶ Login to your GradeScope account and use the code provided in the email.
- ▶ On your **Dashboard**, select the correct course.
- ▶ Select the assignment you'll be turning in (ex: [Homework2](#))
- ▶ Select Submitting a PDF and upload the PDF. Keep in mind that you can only submit one PDF file per assignment.

3 - Assign the questions

- ▶ On your screen, you should see a list of the questions/problems in your assignment and thumbnails of your PDF page(s). For each assigned question, click the PDF page(s) that contains your answer.
- ▶ If you need to you can also assign multiple pages to one question.
- ▶ Avoid assigning multiple questions to the same image.
